FABIO CERESANI

OCC Duty Manager · Flight Dispatcher / Flight Operations Officer

PROFILE

Aviation operations professional with **more than 35 years of experience** in Operations Control Centres, flight dispatch and flight planning, from **Alitalia** to **Air Malta**, **KM Malta Airlines** and international consultancy. Rooted in the aviation culture of the **human factor**, I believe that **communication**, **empathy** and strong **team building** are what allow a like-minded group to reach the best decisions, ensuring safety and security, economic viability and punctuality in a cost-efficient way.

Trainer, international speaker and author, I bring a balanced mix of **experience** and **openness to innovation**, a constant desire to learn and a strong work ethic. I enjoy working with people of all ages and I am keen to add value to a progressive and responsive organisation.
